

SACRED HEART CONVENT SCHOOL, NALIMBI

ANNUAL REPORT 2024–25

Introduction

“Maybe there is a road ahead of it, maybe there is a new world down the road, walking forth is the only plight, because we didn't come this far to come this far only.”

With these inspiring words, I, on behalf of Sacred Heart Convent School, Nalimbi, extend my warm greetings to each one of you. It is with great pride and immense joy that I present the Annual Report for the academic year 2024–25.

The Annual Report is not merely a record of events; it is the living story of our school — the milestones achieved, the challenges overcome, the lessons learned, and the aspirations nurtured. It is a reflection of our commitment to excellence, the dedication of our teachers, the enthusiastic participation of our students, and the unwavering support of our parents.

Since its humble beginning with just 60 students, our institution has steadily grown into a vibrant community of around 400 learners, guided by a team of dedicated staff. The academic year 2024–25 has been especially significant, as it marked the historic moment of sending forth our first-ever Class X batch, the pioneers of our school's journey towards academic legacy.

This report will walk you through the highlights of the past year in academics, cultural life, co-curricular activities, sports, training programmes, and holistic growth initiatives, each contributing to the shaping of our students as confident, compassionate, and capable young citizens.

Academic Excellence

The academic year 2024–25 began on 5th June 2024 with a solemn prayer service invoking God's blessings, followed by a warm welcome programme for our students. From the very outset, emphasis was laid not only on academic progress but also on ensuring the overall well-being of learners.

To maintain academic rigor, the year was systematically divided into four periodic assessments (40 marks each) and two terminal examinations (80 markseach). This well-structured evaluation pattern enabled continuous learning and fair assessment of students' progress.

A special focus was directed towards the first outgoing batch of Class X students. Teachers invested extra time in conducting revision sessions, mock examinations, and practice tests to strengthen their preparation for the board examinations. Their dedication and perseverance have set a strong foundation for future batches to follow.

Regular Parent–Teacher Meetings (PTMs) acted as a bridge between the school and families, ensuring transparency and shared responsibility in shaping the growth of each child.

Scholarships and Recognitions:

Venerable Fr. Mathew Kadalikkattil Memorial Scholarship was conferred upon the overall school topper.

Prof. Prakash Uttam Sansare Scholarship was awarded to the Mathematics topper.

Competitive Examinations: Students actively took part in SOF Olympiads, Maharashtra State Scholarship Examinations (PSS & PUP), and the Elementary and Intermediate State Drawing Exams. We take immense pride in announcing that 100% of our Grade VII & VIII students cleared the Elementary Drawing Exam with flying colours, proving their creative potential.

This year, as we stand at the threshold of sending forth our first batch of Class X students, it is a historic and emotional milestone — one that symbolizes both accomplishment and a promise of greater achievements to come.

At Sacred Heart, we firmly believe that education is not just about textbooks, but about lifelong learning and continuous professional growth.
